

COVID-19 RESTRICTIONS

DO NOT SIT HERE

In line with the restrictions to prevent the spread of the disease this table is not available for use

Police and other authorities are patrolling to ensure compliance

As a community we need to ensure we comply with the contagion control restrictions, including staying at least 1.5 metres away from other people and not utilising shared dining and seating spaces.

We understand that this is not ideal, but it is what we must all do to keep our community safe.

We are still serving take away meals

Thank you for your co-operation
