

COVID-19 Keeping Our Customers Safe

To keep our customers safe we are;

Following all Dept of Health advice

Increasing the frequency of cleaning and sanitizing instore

Increasing the frequency of cleaning pumps and nozzles

Providing hand washing facilities for customers to use after filling up

Yes, we are also wearing masks!

We are not sick, or scared, we are just being cautious to protect you.

Rest assured we are smiling under our masks and are happy to see you.
